**Transfer of the titles of Dome Investments Public Company Ltd from the Surveillance Market to the Alternative Market (Regulated Market)**

The Cyprus Stock Exchange announces the transfer of the titles of Dome Investments Public Company Ltd from the Surveillance Market to the Alternative Market of the Stock Exchange, as the ground on which the company's titles had been transferred no longer applies following the issuance and publication of its Annual Financial Report for the year ended 31/12/2020. The decision was taken pursuant to Paragraph 2.2.5 of RAA 379/2014 (as amended).

It is further noted that the company's titles will continue to appear with the (Σ) marking on the daily news bulletin and the trading boards, due to non-compliance with its ongoing obligation to disperse its share capital to the public.

The company's titles will be traded on the Alternative Market as of **Tuesday, 27 July 2021**.
