Continuation of the suspension of trading of the shares of companies of the Regulated Market

The Cyprus Stock Exchange announces the continuation of the suspension of trading of the shares of the following companies, following a decision of the Cyprus Securities and Exchange Commission, which was reached pursuant to the power conferred upon it by Article 70(2)(m) of the Investment Services and Activities and Regulated Markets Law of 2017 as in force at the time:

1. A. Tsokkos Hotels Public Ltd
2. Dome Investments Public Company Ltd
3. Karyes Investment Public Company Ltd

The Cyprus Securities and Exchange Commission has decided to request the CSE Council to suspend the trading of the shares of these companies on the CSE from 27 December 2024 until their compliance or until 28 February 2025 at the latest, if until the expiry of the existing period, they do not comply with their obligation to publish the financial information which is pending.

The Commission has reached this decision since the above companies have not complied with their obligation to publish the following financial information:

- their Annual Financial Report for the year ended 31/12/2023; and
- their Half-Yearly Financial Report for the period ended 30/06/2024;

which resulted in not providing investors with the required information on their financial situation.
