## **Delisting of the Bonds of R ENERGY 1 S.A. (Emerging Companies Market)**

The Cyprus Stock Exchange announces the delisting of the Bonds of R ENERGY 1 S.A. which are listed on the Bonds Market of the Emerging Companies Market pursuant to the provisions of Article 178(1) of the Securities and Cyprus Stock Exchange Law as well as Paragraph 2.4.1.3 of RAA 379/2014 (as amended), in view of the fact that the conditions for the smooth operation of the stock exchange market in relation to the Bonds of this Company no longer exist.

More specifically, this decision was reached since the Bonds of this company have been repaid/settled prematurely and in full and therefore they no longer exist.

It is noted that the Bonds of this company will be delisted from the Stock Exchange on Wednesday, 25 May 2022. On this date, the company's titles will also be removed from the Central Securities Depository and Central Registry pursuant to Article 19 of the Securities and Cyprus Stock Exchange (Central Securities Depository and Central Registry) Law.
