# Independent Auditor's Report on review of interim financial statements

### To the Members of Frontarico Plc

### Introduction

We have reviewed the interim condensed financial statements of Frontarico Plc (the "Company"), which are presented in pages 3 to 13 and comprise the statement of financial position as at 30 June 2024, and the statements of profit or loss and other comprehensive income, changes in equity and cash flows for the period for the period 1 January 2024 to 30 June 2024, and notes of the financial statements, including material accounting policy information. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Financial Reporting Standards applicable to interim financial reporting as adopted by the European Union ('IAS34 Interim Financial Reporting'). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 'Interim Financial Reporting'.

### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity'. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Other Matter**

This report, including the opinion, has been prepared for and only for the Company's members as a body in accordance with Section 69 of the Auditors Law of 2017 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whose knowledge this report may come to.

### NOTES TO THE FINANCIAL STATEMENTS

Period for the period 1 January 2024 to 30 June 2024

### 1. Incorporation and principal activities

### **Country of incorporation**

The Company Frontarico Plc (the "Company") was incorporated in Cyprus on 13 July 2018 as a private limited liability company under the provisions of the Cyprus Companies Law, Cap. 113. Its registered office is at 28, Ampelakion, 4046, Germasogeia, Limassol, Cyprus.

### **Principal activities**

The principal activity of the Company is real estate development. The Company has a plan to develop university institutions and student halls. The Company has a also a plan to construct certain environmental and cultural facilities such as retail dining, entertainment, fitness and landscape gateways. To achieve its goals, during the year 2023 the Company's make an application to the Cyprus Stock Exchange for listing its shares on the Cyprus Stock Exchange Emerging Companies Market.

On 7th of March 2024, the Cyprus Stock Exchange announced the listing of the ordinary shares of the Company, pursuant to Article 58(1) of the CSE Law, on the CSE Emerging Companies Market and the simultaneous registration of its ordinary shares to the Central Securities Depository/Registry of the CSE pursuant to Articles 10(1) and (3) of the Securities and Cyprus Stock Exchange (Central Securities Depository/Central Registry) Law.

The trading of the Company's shares commenced on Tuesday 19 March 2024 and effected in Euro (€).

### 2. Basis of preparation

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union (EU) and the requirements of the Cyprus Companies Law, Cap. 113. The financial statements have been prepared under the historical cost convention.

The preparation of financial statements in conformity with IFRSs requires the use of certain critical accounting estimates and requires Management to exercise its judgment in the process of applying the Company's accounting policies. It also requires the use of assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on Management's best knowledge of current events and actions, actual results may ultimately differ from those estimates.

### 3. Adoption of new or revised standards and interpretations

During the current period the Company adopted all the new and revised International Financial Reporting Standards (IFRSs) that are relevant to its operations and are effective for accounting periods beginning on 1 January 2024. This adoption did not have a material effect on the accounting policies of the Company.

### 4. Material accounting policies

The financial statements, which are presented in Euro, have been prepared in accordance with international Financial Reporting Standards, including IAS 34 "Interim Financial Reporting"

The accounting policies used in the preparation of the financial statements are in accordance with those used in the annual financial statements for the year ended 31 December 2023.

Costs that are incurred during the financial year are anticipated or deferred for interim reporting purposes if, and only if, it is also appropriate to anticipate or defer that type of cost at the end of the financial year.

These financial statements must be read in conjunction with the annual financial statements for the year ended 31 December 2023.

### NOTES TO THE FINANCIAL STATEMENTS

Period for the period 1 January 2024 to 30 June 2024

### 5. New accounting pronouncements

At the date of approval of these financial statements, standards and interpretations were issued by the International Accounting Standards Board which were not yet effective. Some of them were adopted by the European Union and others not yet. The Board of Directors expects that the adoption of these accounting standards in future periods will not have a material effect on the financial statements of the Company.

### 6. Financial risk management

### Financial risk factors

The Company is exposed to interest rate risk, credit risk, liquidity risk and capital risk management arising from the financial instruments it holds. The risk management policies employed by the Company to manage these risks are discussed below:

### 6.1 Interest rate risk

Interest rate risk is the risk that the value of financial instruments will fluctuate due to changes in market interest rates. The Company's income and operating cash flows are substantially independent of changes in market interest rates as the Company has no significant interest-bearing assets. The Company is exposed to interest rate risk in relation to its non-current borrowings. Borrowings issued at variable rates expose the Company to cash flow interest rate risk. Borrowings issued at fixed rates expose the Company to fair value interest rate risk. The Company's Management monitors the interest rate fluctuations on a continuous basis and acts accordingly.

At the reporting date the interest rate profile of interest- bearing financial instruments was:

	30 Jun	31 Dec
	2024	2023
	€	€
Fixed rate instruments		
Financial liabilities	(5,689,517)	(5,470,412)
	(5,689,517)	(5,470,412)

### 6.2 Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to meet an obligation. Credit risk arises from cash and cash equivalents.

### (i) Impairment of financial assets

The Company has the following types of financial assets that are subject to the expected credit loss model:

cash and cash equivalents

### Cash and cash equivalents

The Company assesses, on a group basis, its exposure to credit risk arising from cash at bank. This assessment takes into account, ratings from external credit rating institutions and internal ratings, if external are not available.

Bank deposits held with banks with investment grade rating are considered as low credit risk.

Company internal credit rating	External credit rating	30 Jun	31 Dec
	_	2024	2023
		€	€
Performing - Bank of Cyprus	B1	84	3,352
Total		84	3,352

The ECL on current accounts is considered to be approximate to 0, unless the bank is subject to capital controls. The ECL on deposits accounts is calculated by considering published PDs for the rating as per Moody's and an LGD of 40-60% as published by ECB.

### NOTES TO THE FINANCIAL STATEMENTS

Period for the period 1 January 2024 to 30 June 2024

### 6. Financial risk management (continued)

### 6.2 Credit risk (continued)

(i) Impairment of financial assets (continued)

### Cash and cash equivalents (continued)

The Company does not hold any collateral as security for any cash at bank balances.

There were no significant cash at bank balances written off during the period that are subject to enforcement activity.

### 6.3 Liquidity risk

Liquidity risk is the risk that arises when the maturity of assets and liabilities does not match. An unmatched position potentially enhances profitability, but can also increase the risk of losses. The Company has procedures with the object of minimising such losses such as maintaining sufficient cash and other highly liquid current assets and by having available an adequate amount of committed credit facilities.

The following tables detail the Company's remaining contractual maturity for its financial liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The table includes both interest and principal cash flows.

### 6.4 Capital risk management

Capital includes equity shares and loan from parent company.

The Company manages its capital to ensure that it will be able to continue as a going concern while maximising the return to shareholders through the optimisation of the debt and equity balance. The Company's overall strategy remains unchanged from last year.
